

CLOSET & HOME STORAGE

planning guide

more **SPACE** place®

custom designed to make room for living

Why Choose More Space Place?

More Space Place offers smart, stylish storage solutions custom designed to perfectly fit your space and personal style. Whether you're creating your dream room or searching for extra space, our Design Consultants offer endless possibilities to help organize your home and simplify your life.

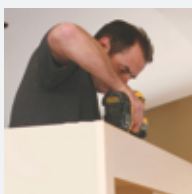

Our fully adjustable More Space Place Closet and Home Storage Systems are functional, adaptable, and stylish. Don't believe your closet can be a tranquil and beautiful space? Guess again. Whether you prefer traditional, transitional, or contemporary, we offer the largest selection of available materials, finishes and door styles to ensure that your new closet or storage area will be your favorite room in the house.

Our exclusive features and accessories enhance the look and function of our custom systems. We pay attention to every detail. Our exclusive INVISI-BORE® adjustment system holes are 60% smaller than traditional systems. This feature provides all the benefits of adjustability and functionality without the unsightly look of the larger holes used by our competitors.

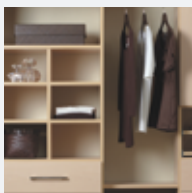

The Beginning

The process begins with a visit to our showroom or a complimentary in-home consultation. Our Design Consultants will guide you every step of the way to maximize the potential of your closet or home storage area.

The Installation

Our skilled installers are highly trained and meticulous craftsmen dedicated to treating your home as carefully as their own. This important step is often overlooked, but at More Space Place our attention to detail extends past the time of purchase through the life of our products.

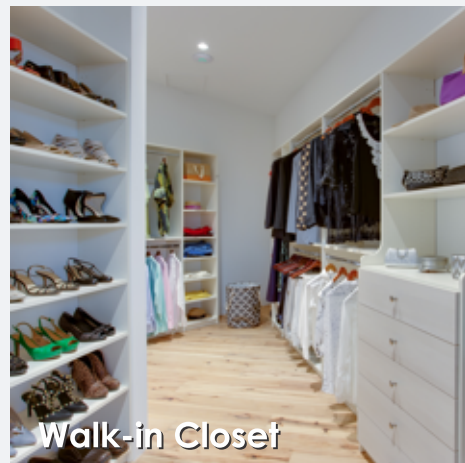

The Final Product

An organized, efficient space reduces stress by increasing the time you have to focus on the things that matter most to you. We provide peace of mind by delivering your custom space designed around the way you live. A More Space Place closet and home storage system is not just a good investment for your home — it's an investment in a better lifestyle.

Reach-in Closet

Walk-in Closet

Pantry

Garage & Utility Room

"...I never realized how much aggravation I used to have looking through my clothes and shoes before you designed and built my closet. I save time and my clothes stay neater. The entire staff went out of their way to make sure I had the storage I needed, the installer even vacuumed the room after he was done. We are now working on a small utility room and corner office..." — S. Taylor, Tampa, FL

Let More Space Place show you the many benefits of a custom designed closet or storage solution. *Call today for a free in-home consultation!*

The More Space Place Closet System

Smart and Stylish with Thousands of Configurations to Perfectly Suit Your Space

Wall Mounted & Floor Based Systems

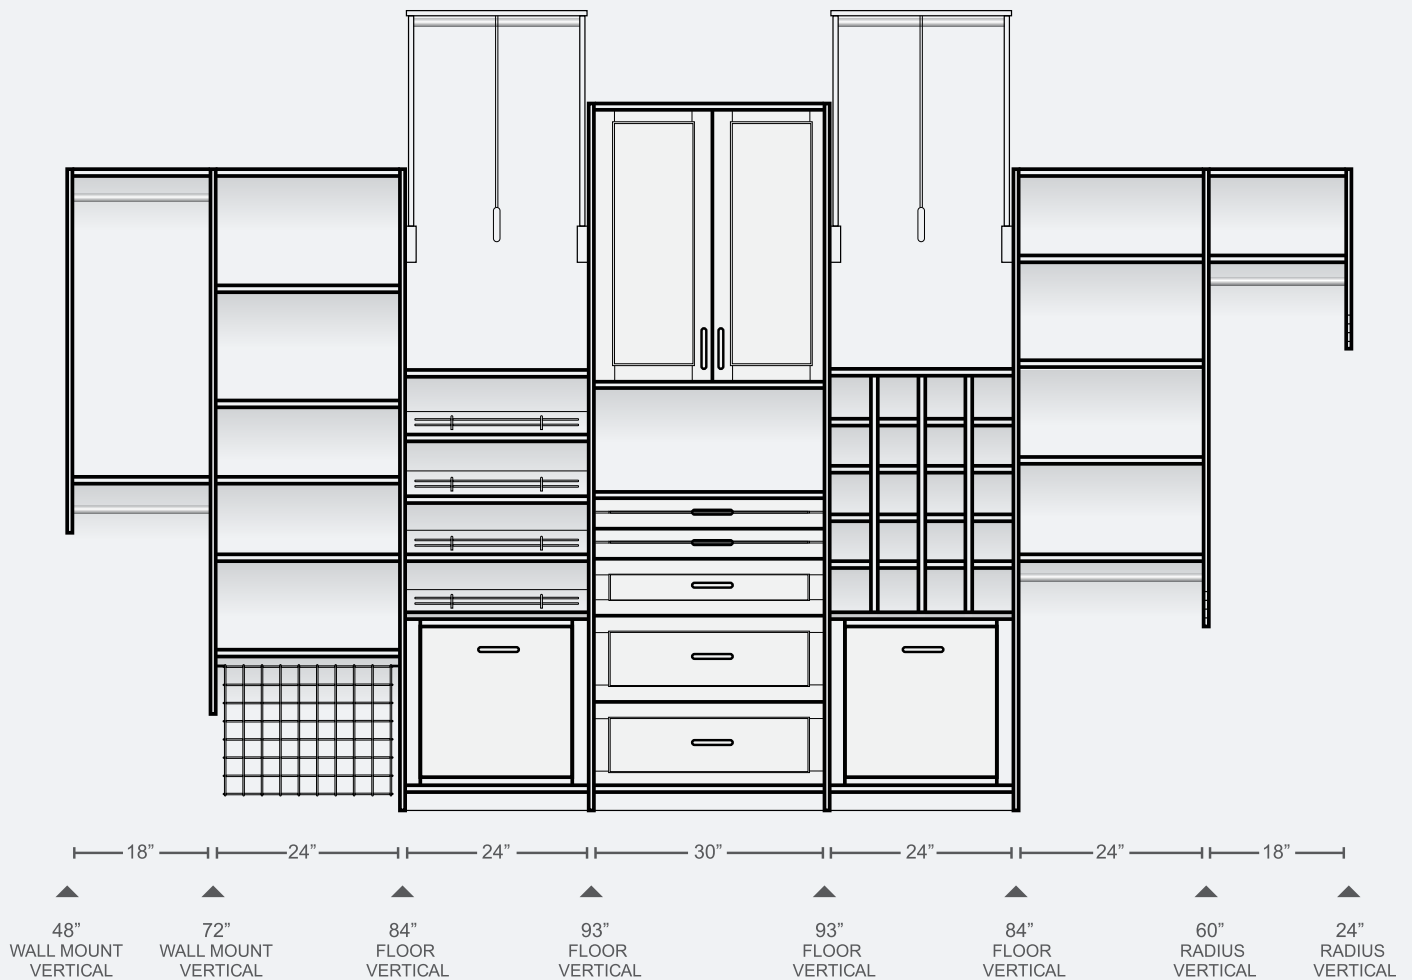

Our closet rail hung closet system is available in two options to best suit your storage needs. Suspend closets for more space on your closet floor and allow for easier cleaning, or extend your system to the floor to add strength for extra storage and heavier personal items.

Fixed or Adjustable Shelves & Rods

Our extra-sturdy adjustable and sliding shelving and hanging rods adapt as your storage needs change. Single- and double-hung closet rods can double, or even triple, your closet storage space.

Sliding & Pullout Accessories

Our amazing selection of designer accessories are available in a variety of finishes to suit your personal style and coordinate with your existing finishes. Pullout and sliding accessory racks and baskets provide function and accessibility to keep all items within reach.

Closet Depths

12", 14", 19" or 24"

Drawer Dimensions

Width: 18", 24" or 30"

Depths: 14" or 18"

Door Selection

Our doors do more than keep dust at bay. With more than 18 door styles available in real wood or sturdy laminate, your door selection is an extension of your personal style. Mullion doors with glass inserts create dramatic display space while solid doors keep clutter out of sight.

Drawer Selection

From basic to elaborate, we offer a wide range of drawers to customize your personal space. Choose from varying depths and heights to perfectly suit your needs. Pull, soft-close or touch-release drawers are as smart as they are stylish. Plus, our infinite decorative hardware options ensure your closet will reflect your unique style.

Designer Styles & Finishes

Combine any of our 18 door styles in rich wood or sturdy laminate with endless color options including finishes to match your existing furniture. Select designer options like distressed and glazed to express your personal style. Optional rope, fluted columns, deluxe crown molding and dentil details add beauty and character to all-wood cabinets.

PANTRIES & HOME ORGANIZERS

Keeping your home organized has never been more of a challenge. Our More Space Place design specialists will help you find a place for everything and everything in it's place whether it's keeping the pantry stocked, having the family activity schedule handy, wrapping beautiful packages or a spending time working on a favorite craft or hobby. Custom designed and built for your individual needs and style, enhance function and maximize space with our easy slide pull-out baskets, organizers, drawers, work spaces and lighting options.

LAUNDRY & UTILITY ROOMS

Some of the most utilized spaces in the home tend to be the most challenging to organize and keep neat. No need to shut the door and hide your laundry and utility rooms. More Space Place will design to your storage needs, from organizing your laundry supplies to creating a work space to fold clothes, finding a perfect place to hang coats and helping to keep shoes off the floor. Our laundry and utility room systems provide solutions for storage, laundry organization, work areas, air drying and ironing.

GARAGES

Organize your garage..... and be able to park your car inside the garage as well! Our More Space Place garage systems are custom designed to meet your space needs from storage of home supplies, tools, lawn/garden and sporting equipment, holiday decorations and beach chairs! Cabinets are manufactured using the highest quality materials with durable 2mm edge banding and metal drawer boxes to provide added protection against wear and tear. Systems are installed off the floor to enable floors to be cleaned easily. Add a Workbench and Slatwall for easy access and organization of tools, ladders and hard to store items like sports and outdoor equipment.

INFINITE ACCESSORIES

More Space Place closet and home storage product line is fully customizable to fit your individual needs and style. Add accessories to your design to enhance function and maximize space. Mix and match from a wide selection of accessory options in your choice of decorative finishes. Our experienced More Space Place® design staff will work side-by-side with you to help you Make Room for Life®.

baskets and hampers

Slide out baskets keep items organized and easily visible. Tilt-out hampers provide a place for dirty laundry to remain out of site.

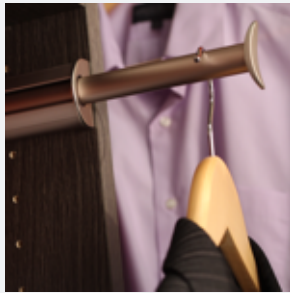

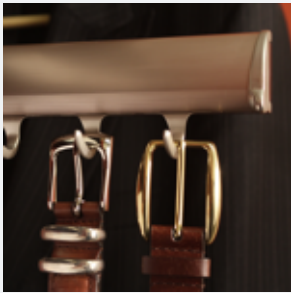

mirrors & ironing boards

Pullout mirrors and ironing boards are conveniently stored and easily accessible when needed.

accessory racks

Sliding accessory racks enable belts, scarves, ties to be organized and neat. Pull-out valet rods, pant and shoe racks enable clothing to be visible for coordinating outfit selections.

wardrobe lifts

Wardrobe lifts make use of space while enabling hanging clothing to be pulled down and remain within reach.

jewelry drawer inserts

Plush velvet jewelry trays keep jewelry, watches and personal items organized and safe. Full extension drawer slides enable access and visibility to all compartments.

ENDLESS OPTIONS

custom doors & drawer fronts

Add a decorative touch with laminate, thermofoil or premium wood doors and drawer fronts. Available a wide selection of contemporary, traditional and shaker styles.

molding and trim

Finish your custom look with thermofoil or premium wood crown molding or trim.

countertops

Upgrade your design with a countertop in laminate, solid surface or natural material options to fit your design style. Options and finishes available may vary by store.

lighting

Enhance your space with Accent and Functional LED lighting. Available in a variety of styles and light tones.
