hardworking, stylish, and infinitely customizable

LAMINATE

Hardworking laminate is a stylish and affordable choice that compliments any décor. Constructed with a quality substrate, laminate is easy to care for and durable. Available in casework, Contemporary style doors and drawer fronts.

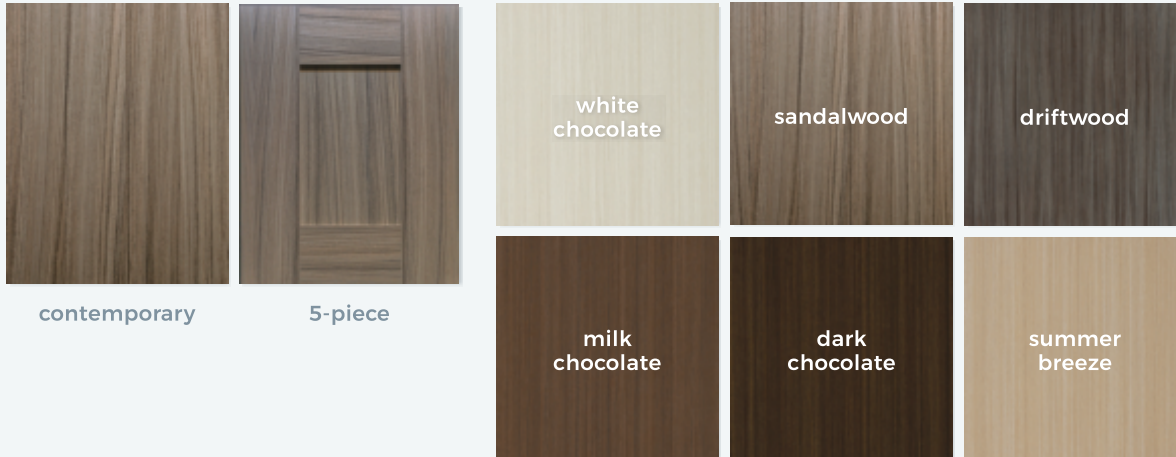

classic

LAMINATE

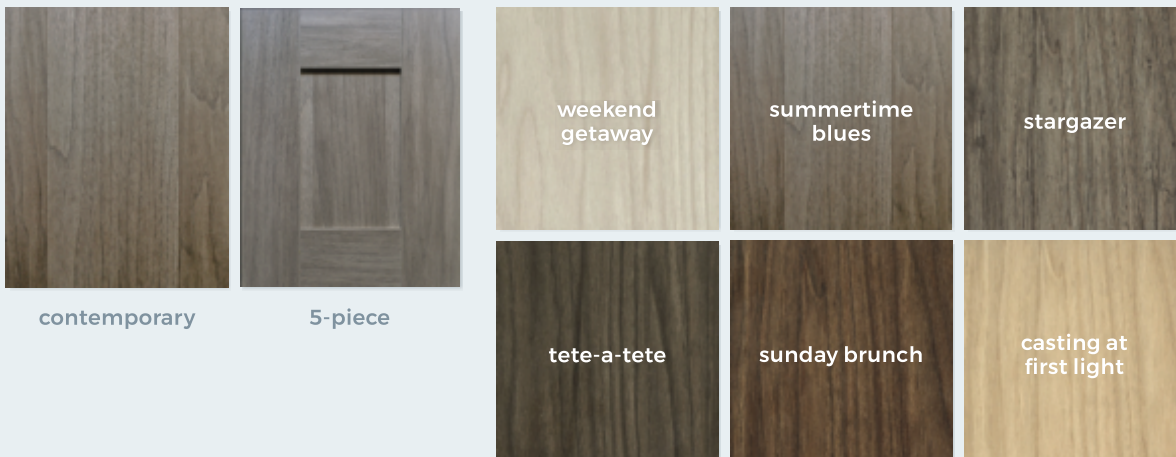

textured

Our Textured series offers a textured grain for an organic, natural look and feel. Available in casework, Contemporary and 5-piece style doors and drawer fronts.

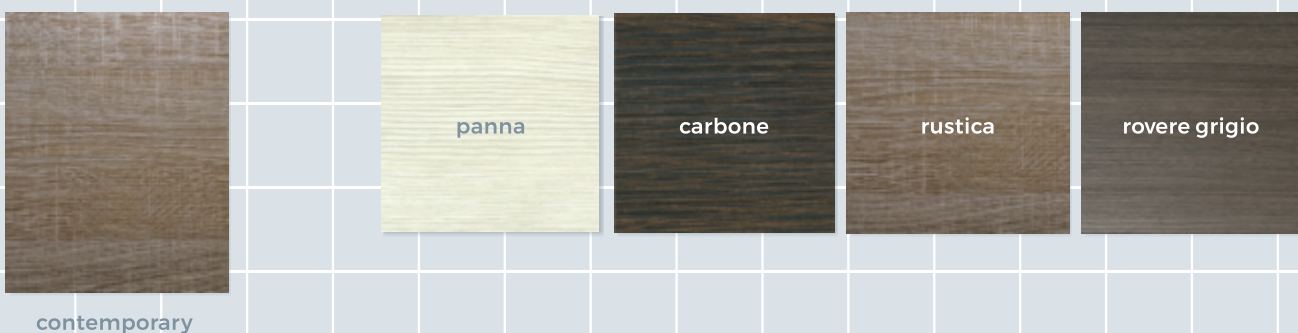

premier

Our Premier laminate offers an embossed textured finish for the look of real wood. Available in casework, Contemporary and 5-piece style doors and drawer fronts.

cross grain

Cross Grain laminates provide a distinctive European style when combined with our laminate series casework. Available in Contemporary style doors and drawer fronts.

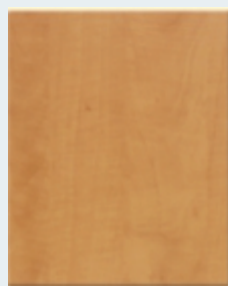

THERMOFOIL

Constructed with a high quality MDF substrate, this heat-wrapped thermofoil offers easy care and maintenance and a wide range of finish options. Available in a variety of door and drawer front styles.
